#### Car Show

Our 1st Annual Car show will be held on **November 1, 2009** from 1:00-5:00pm. We will have concessions, live music, a visit from Booster Seat and Seatbelt safety mascot Ollie the Otter, and many other activities! Please sign up at the next meeting to help with the car show!

#### Garbage Pick-Up

We will meet outside the entrance of Johnson Hall that is facing

the library and car pool to our stretch of highway (Jere Witson). Plan on spending at least 1 hour picking up trash. Please wear proper clothing, supplies will be provided.

**Puzzles for Patients**

Founded by Melissa Roberson, this project is on-going and we are currently in the process of trying to expand it throughout TN. We are going to try and make this the project that the Marketing Club is known for so we will be working on it continuously. We basically collect puzzles and place them in waiting rooms at hospitals. She is now collecting toiletries to make gift bags for patients. If you would like a list of items that are being collected, please email Melissa at: [mroberson22@tntech.edu](mailto:mroberson22@tntech.edu)

**Christmas for Kids**

During late November & early December, we are given a child to buy Christmas for. We always try to pick one day close to the end of the Fall semester to go shopping for the child. We will update you later on this project. You can donate 5.00\$ or bring a present for a boy or girl.
